ACCELERATE RECOVERY FROM INJURY OR SURGERY

Game Ready can now offer monthly Rental Systems to enhance your recovery from injury or surgery.

Rental Systems are comprised of the GR2.1 Pro Control Unit, Single Connector Hose, Carry Bag and one Anatomical Wrap of choice.

All equipment is fully decontaminated and importantly a new outer fabric sleeve is applied to the Anatomical Wrap to comply with infection control protocols.

An information pack containing a user manual, easy-to-follow instructions and treatment guidelines is included with each Rental System.

Rental Systems can be delivered to your preferred location in 24-48 hours using an Express AM ParcelForce delivery service once we have received and processed the required information. Game Ready will arrange the collection of your Rental System at the end of the rental period.

The cost for the initial monthly/ 28 day rental period, including delivery and return shipping is £250 + £50 VAT = £300 fully inclusive.
